Question

The Limón technique, developed by Mexican-born dancer and choreographer Jose Limón, is known for its emphasis on breath control and its interplay of weight and _____ dancers may explore, for example, the moment of mid-air suspension at the top of a jump.

Which choice completes the text so that it conforms to the conventions of Standard English?

Answer

- A. weightlessness
- B. weightlessness which
- C. weightlessness,
- D. weightlessness;

Correct Answer: D

Rationale

Choice D is the best answer. The convention being tested is the use of punctuation within a sentence. This choice uses a semicolon in a conventional way to join the first main clause ("The Limón...weightlessness") and the second main clause ("dancers...jump").

Choice A is incorrect because it results in a run-on sentence. The two main clauses are fused without punctuation and/or a conjunction. Choice B is incorrect. The relative pronoun "which" can't be used in this way to join two main clauses. Choice C is incorrect because it results in a comma splice. Without a conjunction following it, a comma can't be used in this way to join two main clauses.
