Question

Nine months before Rosa Parks made history by refusing to comply with the segregated seating policy on a Montgomery, Alabama, bus, a fifteen-year-old Montgomery girl named Claudette Colvin was arrested for the same _____ to some historians, Colvin’s arrest led to Parks’s action and eventually to the desegregation of Montgomery’s bus system.

Which choice completes the text so that it conforms to the conventions of Standard English?

Answer

- A. offense. According
- B. offense, according
- C. offense according
- D. offense and according

Correct Answer: A

Rationale

Choice A is the best answer. “Nine months...offense” and “according to...system” are both independent clauses. Separating them with a period and turning them into their own sentences is the only grammatically correct choice among the provided options.

Choice B is incorrect. This choice results in a comma splice error, which is a punctuation error that occurs when two independent clauses are joined by only a comma. “Nine months...offense” and “according to...system” are both independent clauses, so they need to be either joined by a semicolon, joined by a comma and a coordinating conjunction, or separated by a period. Choice C is incorrect. This choice results in a run-on sentence, which occurs when two independent clauses are joined without punctuation. “Nine months...offense” and “according to...system” are both independent clauses, so they need to be either joined by a semicolon, joined by a comma and a coordinating conjunction, or separated by a period. Choice D is incorrect. This choice results in a run-on sentence, which occurs when two independent clauses are joined without punctuation. “Nine months...offense” and “according to...system” are independent clauses, so we would need to put a comma before the coordinating conjunction “and” to join them properly.
