Question

Nuhād al-Ḥaddād, known as Fairuz, was one of the most beloved Lebanese singers of the twentieth century. Her broad singing repertoire—which included traditional forms, such as the Arabic *qasida* and *maqam*, alongside modern pop and jazz styles—lent Fairuz a timeless, cross-generational appeal, _____ her the moniker “the soul of Lebanon.”

Which choice completes the text so that it conforms to the conventions of Standard English?

Answer

- A. earned
- B. had earned
- C. earning
- D. earn

Correct Answer: C

Rationale

Choice C is the best answer. The word "earning" is being used to introduce an additional modifying phrase, which describes how Fairuz’s repertoire lent her cross-generational appeal. When a verb ends in -ing and doesn’t have a helper verb like "is" before it, it can be used to modify a noun or verb. This is appropriate here.

Choice A is incorrect. The underlined verb is being used to introduce additional descriptive information, which is set off from the rest of the sentence by a comma. Because there is no subject here, a finite form of the verb (like "earned") creates an error. We need another form of the verb that doesn’t require a subject and can introduce descriptive information. Choice B is incorrect. The underlined verb is being used to introduce additional descriptive information, which is set off from the rest of the sentence by a comma. Because there is no subject here, a finite form of the verb (like "had earned") creates an error. We need another form of the verb that doesn’t require a subject and can introduce descriptive information. Choice D is incorrect. The underlined verb is being used to introduce additional descriptive information, which is set off from the rest of the sentence by a comma. Because there is no subject here, a finite form of the verb (like "earn") creates an error. We need another form of the verb that doesn’t require a subject and can introduce descriptive information.
