Question

While researching a topic, a student has taken the following notes:

- Etel Adnan was a Lebanese American poet and artist known for making many leporellos.
- A leporello is an artist’s book that is folded accordion style.
- When the book is expanded, the artist’s work is revealed, and its zigzag shape allows it to stand on its own.
- Her leporello *December from My Window* (1993) features a panoramic landscape.
- It is painted using ink and watercolor.

The student wants to describe Adnan’s *December from My Window* to an audience already familiar with leporellos. Which choice most effectively uses relevant information from the notes to accomplish this goal?

Answer

- A. Featuring a panoramic landscape, the 1993 work is one of Adnan’s many leporellos, which are accordion-style folded books that when expanded reveal the artist’s work.
- B. When expanded, Adnan’s 1993 leporello *December from My Window* reveals a panoramic landscape painted in ink and watercolor.
- C. Known for making many other accordion-style folded books called leporellos, Adnan created *December from My Window* in 1993.
- D. A leporello, such as Adnan’s *December from My Window*, is folded accordion style, and due to its zigzag shape it is able to stand on its own when fully expanded.

Correct Answer: B

Rationale

Choice B is the best answer. This choice describes Adnan’s *December from My Window* in a way that assumes the audience is already familiar with leporellos and focuses on the specific features of the work—its content and medium.

Choice A is incorrect. This choice isn’t suited for an audience already familiar with leporellos. A familiar audience wouldn’t need to have the term defined or explained. Choice C is incorrect. This choice doesn’t describe Adnan’s *December from My Window*. It mentions the year and the type of work but not the content or the medium. In addition, it provides a simple definition of leporellos, making this an inappropriate choice for an audience already familiar with leporellos. Choice D is incorrect. This choice isn’t suited for an audience already familiar with leporellos. A familiar audience wouldn’t need to have the term defined.
