Question

Cy Twombly, a US painter and sculptor, created many large-scale abstract works, such as his 10-painting series *Fifty Days at Iliam*. In these works, Twombly’s artistic style is exemplified by his use of graffiti-like _____ often incorporate words or phrases from poetry and mythology.

Which choice completes the text so that it conforms to the conventions of Standard English?

Answer

- A. scribbles: that
- B. scribbles that
- C. scribbles; that
- D. scribbles. That

Correct Answer: B

Rationale

Choice B is the best answer. The convention being tested is the use and punctuation of a relative clause. This choice correctly uses the relative pronoun “that” and no punctuation to create an integrated relative clause that provides essential information about the noun phrase (“graffiti-like scribbles”) that it modifies.

Choice A is incorrect because no punctuation is needed between the integrated relative clause beginning with “that often” and the noun phrase that it modifies (“graffiti-like scribbles”). Choice C is incorrect because no punctuation is needed between the integrated relative clause beginning with “that often” and the noun phrase that it modifies (“graffiti-like scribbles”). Choice D is incorrect because no punctuation is needed between the integrated relative clause beginning with “that often” and the noun phrase that it modifies (“graffiti-like scribbles”).
