Question

In 2000, Nora de Hoyos Comstock, herself an owner of a successful consulting firm, sought to increase Latina representation in corporate _____. She founded Las Comadres para las Americas, an international community that for over two decades has served as a resource and information network for Latina business professionals.

Which choice completes the text so that it conforms to the conventions of Standard English?

Answer

- A. settings she
- B. settings, she
- C. settings and she
- D. settings. She

Correct Answer: D

Rationale

Choice D is the best answer. It appropriately uses a period to mark the end of one independent clause ("In 2000...settings") and the start of another ("She founded...professionals").

Choice A is incorrect. This choice results in a run-on sentence error. Both the clause before the blank ("In 2000...settings") and the clause after the blank ("she...professionals") are independent clauses, so they need to be separated by punctuation. Choice B is incorrect. This choice results in a comma splice error. It incorrectly joins two independent clauses with just a comma. Linking two independent clauses with a comma also requires the use of a coordinating conjunction (like *for*, *and*, *nor*, *but*, *or*, *yet*, or *so*). Choice C is incorrect. This choice results in a run-on sentence, an error caused when two independent clauses are joined without punctuation or appropriate conjunctions. Since both the clause before the blank ("In 2000...settings") and the clause after the blank ("she...professionals") are independent, a comma would be required in addition to the coordinating conjunction "and."
