Question

At 1,377 meters, the Tsing Ma Bridge in China is one of the longest suspension bridges in the _____ the Golden Gate Bridge in the United States, at 1,280 meters, is even longer.

Which choice completes the text so that it conforms to the conventions of Standard English?

Answer

- A. world but
- B. world, but,
- C. world,
- D. world, but

Correct Answer: D

Rationale

Choice D is the best answer. The convention being tested is the coordination of main clauses within a sentence. This choice correctly uses a comma and the coordinating conjunction "but" to join the first main clause ("At...world") and the second main clause ("the...longer").

Choice A is incorrect because when coordinating two main clauses such as these, it's conventional to use a comma before the coordinating conjunction. Choice B is incorrect because a comma isn't needed after the conjunction "but." Choice C is incorrect because it results in a comma splice. Without a conjunction following it, a comma can't be used in this way to join two main clauses.
