Question

As the fourteenth US librarian of Congress, Carla Hayden has many responsibilities. These include overseeing the Library of Congress’s collections, which boast more than 162 million _____ the US Copyright Office, which registers copyright claims and advises Congress on copyright law; and appointing the US poet laureate.

Which choice completes the text so that it conforms to the conventions of Standard English?

Answer

- A. items managing
- B. items, managing
- C. items; managing
- D. items. Managing

Correct Answer: C

Rationale

Choice C is the best answer. The convention being tested is the punctuation of elements in a complex series. It’s conventional to use a semicolon to separate items in a complex series with internal punctuation, and in this choice, the semicolon after "items" is conventionally used to separate the first item ("overseeing...items") and the second item ("managing...law") in a list of Hayden’s responsibilities.

Choice A is incorrect because it fails to use appropriate punctuation to separate the first item and the second item in the complex series. Choice B is incorrect because a comma after "items" doesn’t match the semicolon used later to separate the second and third items in the series ("managing...law" and "and appointing the US poet laureate"). Choice D is incorrect because it results in a rhetorically unacceptable sentence fragment beginning with "Managing."
